

The Westwood Middle School Spring Musical is an opportunity open to all students at Westwood Middle School. The goals of the activity are:

- *to practice and then perform a high quality musical theatre production for the school and community*
- *to provide opportunities in dramatic, musical, visual and dance art forms*
- *to help students develop a sense of confidence, poise and showmanship*
- ***To have fun!***

This is an auditioned activity and unfortunately cannot accept all interested students. Auditions take place in early January. Students who are selected for the cast need to be available after school daily from 3:00 until 5:00, during the months of January, February and March. Students are also needed for the technical and stage crew. Our performance week is March 22nd with evening performances scheduled the 23rd and 25th. Please contact Ms. Howard at ahowar@district16.org for additional information.
