## Principal Points by Mike Callahan

This Friday morning at Kenneth Hall we will celebrate and honor our volunteers who have given their time and energy to support our students this school year. We have had some wonderful school events such as the Family Fun Night and the Kenneth Hall History Night that could not have been realized without the efforts of so many. Beyond those events there have been field trips, classroom parties, academic support and so much more where volunteers have made an impression on our students and staff with their commitment and dedication. We appreciated all you do!

So join us for a celebration at 8:45 a.m. in the library. We have sent out invitations, but if we unintentionally missed someone, please RSVP with Brenda if you will be joining us! We look forward to seeing you.
