It's time to play! Don't miss this opportunity to have a great summer break! Children in grades K-4 will have a blast with their friends and our awesome energetic staff as they enjoy some fun in the sun. This is a recreational program designed to involve children in a variety of activities, which will promote the development of friendships, good sportsmanship, coordination, motivation, and creativity. Each week a new theme will be presented with games, stories, crafts and imagination to provide a well-rounded experience for your child. Also included in the program are two special event days: Wet & Wild Water Party and Nickel Jamboree.

Extended Hours: If you are unable to pick up your child at 4:00 p.m., register for the Extended Hours Program. Recreation staff will supervise children in the Fridley Middle School. Your child can be picked up between 4:00 - 5:30 p.m., please use Door #10.

This session follows the Fridley School District's Summer School Program! If your child is in Summer School at Stevenson, they can ride the bus to the Fridley Middle School to participate in this program. Our staff will meet them at the bus drop-off location.
