School Board Regular Meeting

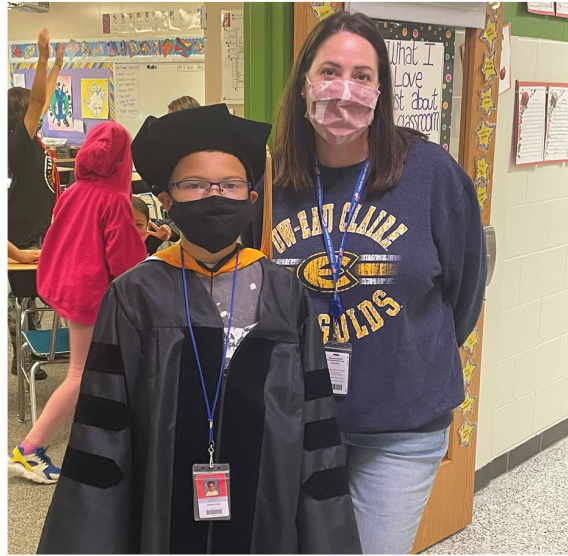

Current and Upcoming

- **Conferences – now through the end of October**
 - Designed a refreshed approach for parent/teacher conferences and communication about student progress based on learning from the past year
 - Focus is on personalization, flexibility with schedule, choice in format
 - Work aligned to DOP project – Transition Out of the Pandemic: Build Community
- **Fall break – October 18-22**
 - No school for students
 - For teachers, this time is dedicated to professional learning, assessment of learning and design, conferences and communication
- **Rapid COVID-19 testing**
 - Piloting rapid testing option – Cue Test – that gives reliable results in 30 minutes
 - Optional rapid testing can help further limit people being out of school for quarantine
 - Continuing to offer optional home saliva testing kits – pick up and drop off at school

Introducing SLP Experience

- SLP Experience is a new print and electronic publication produced several times each year (October, December, March, June)
- Offers a look into life at Spring Lake Park Schools across school buildings and grade levels
- For families, staff, and broader community
- Stories of Panther pride and purpose paired with opportunities for community engagement
- Online at SpringLakeParkSchools.org/Experience
